GOVERNMENT OF MADRAS.
Food Department.

Memorandum No: 51543-D3/47-10 dated the 25th September 1948.

Sub:- Procurement - Millets - Bonus for deliveries of millets made in September and October 1947---Recovery of surcharge-Continuance of the collection of surcharge in six districts - Orders issued.

Ref:- G.O. Ms. No. 1053, Food, dated 24.9.1947.
From the Board of Revenue (Civil Supplies), No. 101075/U5/48-4 (CS) dated 8.9.1948.

The Government approve the principle followed by the Board of Revenue that the surcharge on millets need not be collected in districts where there had been no procurement of millets at all and that it should continue to be collected in other districts only so long as the amount paid as bonus on millets is recovered in full. Accordingly the Government consider that the collection of surcharge on millets should be continued in the six districts of Bellary, Cuddapah, Nellore, South Arcot, Tanjore and Ramnad till the arrears amounting to Rs. 19,847-13-6 are collected in full and that the collection should be discontinued thereafter. The Board is requested to see that the arrears of surcharge due to be collected in the six districts specified above are collected

with the least

practicable delay.

2. The Board is also informed that the Government have accepted its proposal in its reference cited to adjust the excess of surcharge collected on the stocks of millets held on 6.12.1948 against the bonus surcharge to be collected for paddy and rice.
